HISTORICAL.

The first settlements were made in this Township in May, 1834, by Jas. Isbell, Chauncy Isbell, Asa McDole, and James Carmon. P. Y. Bliss, one of the pioneers of this Township, erected a Store where his residence now stands, and for several years supplied his neighbors with goods. Here may be found some of the wealthiest farmers in the County, and it is generally conceded, that as a Township it is superior to any in the County.—See Map for a delineation of its natural advantages.—Population in 1870, 792.
